REQUEST FOR COMMENTS USDA FOREST SERVICE George Washington & Jefferson National Forests, Glenwood and Pedlar Ranger District, Natural Bridge Station, VA Opportunity to Comment on the Bobolets Gap Vegetation Project The George Washington and Jefferson National Forests, Glenwood and Pedlar Ranger District, is preparing an environmental assessment (EA) for the Bobolets Gap Vegetation Project. The project area encompasses approximately 3,075 acres of National Forest System land in Bedford County, Virginia. The project proposes to move the units proposed for mechanical and prescribed fire treatments towards the desired conditions outlined in the 2004 Revised Forest Plan for the Jefferson National Forest. The proposed project is an activity implementing a land management plan and is subject to pre-decisional objection process at 36 CFR 218 Subparts A and B. The EA is available online at <https://www.usda.gov/project/?project=58918>. Due to COVID-19, the district office is not open to the public. Customer service is being offered by phone or electronic communication. Additional information can be obtained from: Nicholas Redifer, Team Leader, by phone (540)-291-2188, or by e-mail nicholas.redifer@usda.gov. How to Comment and Timeframe Comments must be submitted within 30 calendar days following the publication of this notice in the Roanoke Times. Only those who submit timely and specific written comments per 36 Code of Federal Regulations (CFR) 5218.2 regarding the proposed project or activity during a public comment period established by the responsible official are eligible to file an objection (36 CFR 5218.24(b) (6)). In order to raise issues during the objections period, they must be based on previously submitted, specific written comments regarding the proposed project or activity and attributed to the objector. The publication date of the legal notice in the newspaper of record is the exclusive means for calculating the time to submit written comments on this project. All individuals and organizations are responsible for ensuring that their comments are received in a timely manner. Comments received, including commenter names and addresses, will be considered part of the public record on this proposed action and will be available for public inspection. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not afford the agency the ability to provide the respondent with subsequent environmental documents. Comments, including attachments, may be submitted electronically to <https://cara.ecosystem-management.org/Public/CommentInput?Project=58918>. Electronic comments may be submitted as Microsoft Word documents (.doc or .docx), portable document files (.pdf), or in rich text format (.rtf), text (.txt), or hypertext markup language (.html). Written comments must be mailed to Lauren Stull, District Ranger at 27 Ranger Lane, Natural Bridge Station, VA 24579. For objection eligibility, each individual or representative from each entity submitting timely and specific written comments regarding the proposed project or activity must either sign the comments or verify identity upon request 36 CFR 5218.24(b)(8). Please state "Bobolets Gap Vegetation Project" in the subject line when providing electronic comments or on the envelope when replying by mail. (1190291)
